

## **EMPLOYMENT ANNOUNCEMENT**

POSITION TITLE: Master Control Operator

STATUS: Full Time

LOCATION: Eugene, OR KLSR/KEVU

DATE OPEN: Immediately for qualified candidate

SALARY RANGE: Commensurate to Experience

RESPONSIBLE TO: Chief Engineer

DESCRIPTION/DUTIES: KLSR-TV/KEVU-TV has an opening for a full time **Master Control Operator**.

Maintain quality and accuracy of the KLSR & KEVU air signals between programs & commercials. Operate automation system, video servers, satellite receivers, file-based content delivery systems and related computer systems. Acquire and prepare content for broadcast. Run live sporting and other live events. Log all discrepancies, maintain transmitter log and monitor multiple signals simultaneously. Work closely with Programming, Traffic, Engineering, and Production departments. Maintain communication with key staff members throughout shift and assist all departments or individuals to promote quality broadcasting. Maintain proper attendance and punctuality to ensure stations are operated on-time and efficiently. Performs other related duties as required.

EXPERIENCE: A good understanding of computer operations is required. Previous on-air television switching experience preferred. Requires a cool head under pressure, the ability to work independently and attention to detail.

REQUIREMENTS: KLSR/KEVU Television is licensed by the FCC therefore we must follow federal guidelines. Since marijuana is still illegal on a federal level, if offered a position, a candidate would be required to pass a drug screen, which does include marijuana. A 3 year driving record check and a 7 year criminal background check are also pre-employment requirements for a candidate offered the position.
